TEC-GUARD PASSENGER CAR MOTOR OIL

Tec-Guard Armor SAE 30 Motor Oil is a general purpose motor oil that is formulated with select, high quality base oils. It is formulated using advanced additive technology to meet the 2001 fuel economy standards while meeting the specifications for wear control, piston deposits, cleanliness, varnish and sludge, oxidation control, and emission system compatibility. These products are suitable for use where the performance of API SJ is required.

Tec-Guard Armor SAE 30 Motor Oil may be recommended for use in all gasoline engines, wherever API SJ or previous specifications are called for.
